Dear Club,

I thought that I would share a recent experience I had with your readers. It all started a few weeks ago, on my friend Clare's hen night. The night was no different from any other hen night I've been on; pub crawl, drunk, taxi, all arriving back at Clare's house about 3am. Clare, Nadia, Heidi and myself then carried on drinking and chatting.

The subject of sex soon came up. We were all talking about our fantasies and it turned out that Clare had always had a fantasy of having sex with another girl and had always wanted to do this before she got married. Nadia made a joke that I should do her the honour as I am bisexual. It was laughed off as a joke and dismissed. I did point out, however, that she only had two weeks to fulfil her fantasy, so she'd better hurry up if she was going to do it. I thought no more of it until we were the last two still awake...

Ten minutes after the others had gone to bed, Clare suddenly leaned over, placed her lips on mine and paused. I was pleasantly surprised, as I had always secretly fancied Clare but thought she had no interest in girls. This was an opportunity I definitely wouldn't miss out on.

I gently put both my hands on her head and held her soft face against mine. I could feel both our heart rates increasing as we slowly started kissing each other, getting faster and faster, panting more and more by the second. Within minutes we were pulling at each other's

clothes, tearing them off. I pushed Clare onto her back and pinned her down to the floor holding her arms above her head with one of my hands and started kissing, nibbling and licking. Then I slowly moved down her body. By this time she was gasping with pleasure.

I managed to unclip Clare's bra and pulled her thong off. Then she lifted her knees up and opened her legs invitingly. I held her hands down at her side, so I could move my face in-between her legs. Her breathing was getting louder and louder. I pushed my tongue in-between her wet lips and made one sweeping lick from back to front, whilst she squirmed around under me.

I nibbled at Clare's clit and inserted two fingers inside her slick pussy. She kept gasping, wriggling from side to side. I pulled away, teasing her, moved back up her body

**“I slid a couple of fingers into her dripping hole and started to frig her.”**

and we kissed passionately, grinding our bodies together. I let go of her hands and she pushed my head back down and thrust my face back between her legs. There was no doubt what my soon-to-be-wed wanted! I dipped my tongue in and out of her pussy and sucked at her swollen clit. As I thrust my fingers in and out of her she suddenly let out a loud groan and climaxed. Her juices poured all over my face.

We lay together panting for a short while, then she took the initiative and rolled me onto my back, spread my legs apart and started to suck me off. She pushed her fingers inside me and rubbed me frantically. She was definitely a quick learner, as it only took me a couple of moments before I came just as much as Clare had.

Clare's married now but she tells me our experience made a good sexy story to tell her husband on their first night together.

Alice, Birmingham

Dear Club,

What an excellent Saturday night I just had! I was out with my girlfriend Gemma and a group of friends in a new bar on Kings Road

in London. All the group was in a really wild mood.

Sometime in the early hours everyone was ready to head off home. Gemma, Tina and I all headed off together, hoping to pick up a cab along the way. We walked over Albert Bridge and along the side of Battersea Park on our way.

As we were walking, Gemma started playing around with Tina, flirting with her

and pinching her bottom. Gemma and I have long shared a fantasy – to have another girl join in with us but never thought that the right situation would ever occur. But tonight I could see that this situation was on the cards and I knew that if I didn't say something soon I may miss this opportunity.

I whispered to Gemma, "Why don't you kiss her?" As far as we both knew, Tina had

**“ I dipped my tongue in and out of her pussy and sucked at her swollen clit.”**

go into the park for some more, er, intimate fun?” she asked. Tina simply nodded her answer.

My cock was throbbing at the thought of the whole thing. Gemma grabbed Tina by the hand and we all ran into the park and up to a short wall not far

slowly.

I watched as Tina grabbed hold of Gemma’s hand and pulled it towards her pussy. My girlfriend inserted her fingers into her dripping hole and started to wank her off whilst licking at her clit. She was moaning so much I couldn’t bear it any longer! I got up and stood behind Gemma, pulled up her skirt up and yanked her g-string to one side. Then I slid a couple of fingers into her dripping hole and started to frig her.

The whole experience made me feel so naughty as I then inserted a third finger slowly into her tight pussy which I could tell she welcomed! I then pulled my slippery fingers out and pushed my hard cock against her tight hole and gently pushed it up her pussy, inch by inch. I had soon built up a steady rhythm in time with both the girls and it took no time at all before I climaxed, splashing the inside of her pussy with my steamy spunk.

To tell the truth, the girls didn’t come until we went home and carried on in bed, but I missed most of that because I passed out on the booze, but they told me what they had gotten up to!

*Dave, London*

never snogged a girl before so we knew that we would have to tread carefully to pull this one off. But Tina soon picked up on Gemma’s come-on and slid her hand onto her arse. Gemma grabbed the opportunity and pinned her up against a lamppost and started to kiss her slowly but firmly. It was very passionate! I pushed my body against Gemma’s so she could feel how turned-on I was, then I grabbed hold of her tits and squeezed them hard.

Gemma started kissing Tina more and more passionately, then paused. “Want to

from the entrance. Gemma put her coat on the wall and told Tina to sit down. I sat down next to her and waited to see what she was going to do.

Tina was wearing a very short denim skirt and high heels. She looked so sexy! Gemma slid her hand up Tina’s skirt and gently pulled down her lacy g-string. Tina opened her legs revealing her shaven pussy. Both of them were breathing very audibly by now. I unbuttoned my trousers and started gently wanking myself off. Gemma was now kneeling down in front of Tina, holding her legs open wide and licking her wet lips

**A**lmost a year ago Leilani came to us to ask if she could do some nude modelling. "The naughtier, the better," she said at the time.

Knowing a babe when we see one, we told her to stay right where she was, and we'd get a photographer right over. Then, as ever, it all went pear-shaped.

"Oh, I haven't got time to do the shoot today," she said, "I'm going shopping with a friend and then out to a London nightclub. I've never been out in London before!"

At the time it seemed so trivial, just a gorgeous girl going clubbing for the first time. By April we were beginning to wonder if Leilani was missing in action, when the door flew open again and in she walked.

"Sorry about that," she said. "Lost it for a while there! I didn't realise what a good time I was going to have!"

It seems Leilani had spent months getting pissed and fucking every single man who dared to go out after dark.

This time we weren't so slow on the draw!

**Moto G6 Play**[www.motorola.com](http://www.motorola.com)

If you're on a tight budget, which let's face it, most of us have been since 2008, then you may be pleasantly surprised by this cheeky little mover from Moto. Sleek and yet solid in construction, the G6 play shows promise with decent performance despite its low-end hardware, and it still has a fingerprint scanner in case you needed a 007 moment. There's also a micro-USB slot and a rapidly disappearing headphone jack for anyone still stuck in the analogue age. A lot of mobiles are covered in glass sheeting, but the G6 is actually plastic and doesn't compromise on aesthetics because of it. You'll need to be careful around water as there's no water repellent coating, but if you're on a budget, this is an eye-catching device.

**Ticwatch Express**[www.mobvoi.com](http://www.mobvoi.com)

Think Apple Watch is a bit steeply priced? then say hello to Ticwatch E. Running Google's rebranded Wear OS, previously named Android Wear, it now can keep up with the Jones', i.e. Apple, with integration of the core Smartphone apps; texts, email, WhatsApp, Google Assistant and music. Ticwatch is best suit to people running an Android system 4.3 and above, but it will link and perform with Apple devices running IOS 8 and above. With a silicon strap, scratch resistant face, this is a comfortable addition with a 1.2GHz dual-core MTK MT260 making this a racy customer with seamless app switching. The heart rate monitor and GPS tracker also make this watch a decent fitness tracker for the health nuts among us.

**Sony MP-CD1**[www.sony.co.uk](http://www.sony.co.uk)

As our screen continue to shrink in-size and we wander around watching the latest films on our tablets, it has released an urge in me to go big, and by big I mean the side of a wall big and for that, I'll need a projector. But traditionally projectors, are heavy, noisy and clunky which isn't my cup of tea, biscuit or anything else, so when I stumbled across Sony's MP-CD1, it felt like all my wishes had been fulfilled. The super-slim MP-CD1 is flat and rectangular comes with a HDMI cable in the box and is also light-weight. Concerning picture with 105 lumens behind it, it works well in a blacked out room and moderately well in a lit room. Its only downfall is sound, as the 1w speakers are rather weak and I would suggest plugging in a small portable set for a boost, or if at home, hooking them up to a decent stereo system for a bit of a cinema feel to your movie watching.

**I**f you're wondering why this beautiful woman has such a delightful surname you'd have to blame her hippie parents, who opted to change theirs and Cathy didn't have much say in the matter.

"I hated my name at school. Everyone teased me, but by the time I left, I realised I was lucky to have such an unusual name. It gets me noticed – especially by men! My parents probably thought I would turn out quiet and serene like them, but I'm totally the opposite, and always ready to have a good time."

Hip, hip hooray for Cathy, because we wish we could climb into Heaven.

**W**e like Kayla, she spends her time partying around the world in search of good beaches, good times and good sex.

"To tell the truth I'm having such a good time in London at the moment I don't see the point in jetting off somewhere else," claims the 30-year-old blonde Russian. "London is really happening now. I go to places like Mayfair and meet new people from all around the world, who are here for the same reasons as me. I know I'll have to get a proper job other than modelling one day, but for now, this suits me fine. And I'm enjoying dressing up for this shoot as a naughty nurse!"

We're going in for a closer examination.

## Nacho's Threesomes #2

**Starring:** Alba De Silva, Alexa Nasha, Briana Banderas, Caomei Bala, Katrin Tequila, Mey Madness, Nacho Vidal, Venus Afrodita and Zoe Doll.

**Synopsis:** "Porn madman Nacho Vidal doubles his pleasure, pairing up striking Euro-sluts for savage sessions of hardcore, passionate sex. 'Nacho's Threesomes 2' is four scenes of ferocious, fast-paced fucking with free-for all oral antics, intense face sitting and cum-swapping climaxes. Russian Katrin Tequila and Spanish newbie Caomei Bala join Nacho for a cock-riding, rim-jobbing three-way. Nacho unveils a special surprise for buxom beauty Alba De Silva: adorable brunette Zoe Doll. In matching outfits, the dick-hungry dolls make out and eat pussy. Nacho power-plows them to a

jizz-feeding finale. Beautiful, dark-skinned Venus Afrodita tongues Nacho's bung-hole while he porks young nymph Alexa Nasha. Their sweetering menage-a-trois culminates in sloppy, semen-soaked kissing. Eighteen-year-old Russian cutie Mey Madness and busty blonde Briana Banderas love a man to take charge. Who better than Nacho? His gigantic prick fucks Briana's massive melons

and spreads the wealth in a dominant dual drilling."

**Verdict:** Nacho's gives us the low-down on his reason for making Threesomes 2, but as far as we're concerned what reason could there be to not make this movie? And how right we were, as hot Russian babe Katrin and Spanish beauty Caomei get together for the ride of their lives, as Nacho drills them in close-up action shots, before finishing off with a facial. We are also treated to the ravishing Venus and Alexa who aren't shy around each other, with Alexis dipping her tongue into Venus snatch, while Nacho ploughs her from behind. There are so many ways to enjoy two ladies as this well-hung stud is determined to show us.

## The Game

Private

**Starring:** Sienna Day, Alessandra Jane, Rhiannon Ryder, Rachel Adjani and Victoria Summers.

**Synopsis:** "Football, gambling, escorts and a whole world of sexual fantasy! More money means more pleasure in Private's ass slamming epic, The Game, where Alessandra Jane organises a team of slutty escorts to serve all the needs of a high flying football team; including the likes of Sienna Day, Victoria Summers and debutant Rhiannon Ryder. Off the pitch, these girls are into foul play, but there are no red cards to stop these anal loving maniacs! Learn the art of The Game as these naughty girls show you what goes on behind the scenes."

Courtesy of Private

**Verdict:** With World Cup fever out the way and the boys putting their boots up for a rest, you may well wonder what a premier footballer might do to relax. Well, Private has taken the reigns and using a small amount of imagination have brought out the ladies to make muscles twitch and relax. Alessandra Jane and Sienna Day kick off this movie's naughty fun with a rocking threesome where Marc Rose get to stiff both their pucker pussies. These luxury escorts slurp down Marc's manhood and take

an anal shafting from the pro. But it's Victoria Summers who steals the film with her big bouncing natural tits and wild blow-job action, that ends with her body receiving a creamy treat. Every hole scores a goal in this movie!

**A**s we entered the bright lights of our studio, Holly Gibbons was ready and waiting as punctual as ever.

That's some slightly bridal looking lingerie you have on there, it makes you look somewhat virginal.

"Wow, I'd really need to go back in time for that one to be true, my days of virginity have long since passed, and I'm all the better for it!"

We wish we could entirely support that statement, but we lack in experience when it comes to this gorgeous natural blonde.

"I don't suppose you can comment without trying really, what a shame it will have to stay that way."

Well, that told us, Miss Gibbons has high standards and impeccable taste it would appear.

## AU WHAT A LOVELY PAIR!

My brother-in-law Max has been married to my older sister for ten years now, so I was a bit surprised to see a really cute little brunette walk into his kitchen when I went round to stay at their house last weekend. Max is loaded and lives in the countryside in one of those massive barn conversions. The brunette was the newest addition to their household, a live-in au pair from France who'd been brought over to look after their two kids.

"Meet Marie," Max said. "She'd usually be looking after the kids tonight, but they've both gone over to stay with friends." Marie came over to me and shook my hand. Her English wasn't great, but she explained to us that she was just about to go jogging and would be back in about an hour or so. She had a great body and looked fantastic in her little white cotton shorts and Lycra sports boob tube that hugged her pert breasts. I couldn't help but stare at her perfectly firm little arse as she walked out of the door.

"Keep your eyes off her!" Max said. "She's only 22. We're supposed to be looking after her; she's only been in England a few weeks." I told him that I'd behave, but there was no way I could be blamed for what happened later.

Max and I were sitting in his living room having a drink when the phone rang. It was my sister who'd been out with a friend and needed a lift home from the station. I told him I'd be fine on my own while he popped out to

pick her up; I'd just sit and watch telly for a bit. No sooner had he left than the living room door opened. Marie had come back from her run a little bit earlier and was standing there wearing a white towelling dressing gown. She'd obviously just stepped out of the shower.

"Has Max gone out?" she asked. I nodded. "So we are alone?" she said in her cute accent. I nodded again. She came and sat down next to me, her dressing gown falling open slightly so that I could just about see the edge of one of her succulent-looking nipples. To tell you the truth I didn't really know what to say or do. She looked straight at me with her huge brown eyes. "Do you like French girls?" she asked. I was dumbfounded. Here was one of the most beautiful girls I had ever met and my brain

just refused to function properly. "I think you do," she said. She pulled open her dressing gown to reveal her fantastic firm breasts.

"Touch them," she said. I put out my hand and lightly touched her dark nipples, but she grabbed my head and pulled my face into her chest, making

lick around her hole, occasionally dipping my tongue right into her slit. She tasted incredible and her sticky juices covered my mouth and ran into her public hair. She clasped her legs around my head as I focused on her clit, teasing it with the tip of my tongue as she ground her hairy pussy onto my mouth. Then she began to shudder and moan, crying out loudly in French as she came, her whole body juddering with pleasure. After she'd come I kept licking slowly at her vagina, enjoying the sweet, sweet taste of her musky pussy.

“It is your turn now,” she said, pulling down my jeans and boxers to reveal my rock-hard cock. She slowly licked up my length, sucking softly and tantalisingly on its tip before plunging her mouth right down on me. I felt ready to explode, but somehow managed to hold back. I wanted to come inside her pussy. Marie had other ideas though. She got onto her knees and leant over the sofa showing me her perfect little bum. “Do not touch,” she said. Still facing away from me she spread her legs so I could not only see her swollen pussy, but also her tight little arsehole. She reached round and began to slip her fingers in and out of her snatch. As if I wasn't in enough heaven she then began to rub her pussy juices over her tight arsehole. “Fuck me!” she cried. I knelt behind her and she grabbed my dick, rubbing its tip over the sopping entrance to her vagina before placing it at the entrance to her arsehole. She rocked back slowly and her tight hole gradually opened, letting my cock glide in. I went in slowly at first, then deeper with each thrust, Marie grinding her bum onto me as she squealed in delight. I could feel I was about to come and began to fuck faster and deeper, holding her right into me as I came deep inside her cute little bum. It was the horniest fuck I've ever had!

As we both began to relax we suddenly heard a car in the driveway. Max and my sister were back. We dashed upstairs and I threw my clothes back on, coming back down to greet my sister as if absolutely nothing out of the ordinary had happened.

“Are you OK?” she asked. “You look a little flushed.” “Never felt better,” I replied. “It must be this country air. I'll have to come and stay more often!”

*Nick, London*

me suck on them instead. I felt her large, puffy nipples go hard in my mouth as Marie held tight onto the back of my head to make sure I gave them my full attention. It wasn't enough. I love using my mouth and wanted to taste her pussy. I began to kiss down her stomach, pulling open her dressing gown and pushing apart her slender, tanned legs. She was wearing a little pair of white cotton panties and as she held her legs apart I could see a small damp patch forming in the gusset of her knickers. Again she clasped my head, pulling my mouth into her knicker-clad fanny. I could smell her juices and longed to slip my tongue inside her. I pulled down her knickers revealing her tidy hairy mound. Her pink pussy lips were clearly visible amongst her dark pubes and I began to

### PARTY IN MY PANTS

I'd had a bit of a snog with a bloke called Rob at a party a few months back, but he already had a girlfriend (who was also at that party), so nothing more came of it.

I didn't hear anything about Rob again until just recently, when a girlfriend of mine phoned me up and said that he was going to be at a party we were both going to that evening. And what was more interesting was the fact that she'd heard Rob had split with his girlfriend and was single again. A sudden panic shot through me and I ran to my wardrobe in a desperate search for the right thing to make an impression.

I agonised for ages about what to wear, but in the end I chose a fairly short skirt to accentuate my legs, inch and a half heels to make my calves look sexier and a tight top over a Wonderbra to push out my petite 32C tits. As I got dressed my mind began racing with dirty thoughts. It hadn't happened for me the last time I'd seen Rob, but I was damned sure it was going to tonight. Throwing caution to the wind I decided to go commando. I discarded my lacy G-string and for an added bit of spice pulled on my sheerest pair of white hold-ups.

When Kate got round to my flat she immediately knew what my game was, teasing me mercilessly for daring to dress up,

but still saying that I looked sexy in the make-up that accentuated the cheekbones beneath my short, blonde bob of hair. We set out on our manhunt fortified by a few cheeky Bacardis and got to the party fashionably late.

I caught sight of Rob almost the minute we got to there and he was just as fuckable as I'd remembered him! I crossed over to him nervously and he was absolutely charming, saying how good I looked and how much he had missed me. That was it, he was as good as bedded! But I needed to get a few more vodkas down him first, so we flirted and chatted as the party started to hot up.

At about midnight I decided to up the ante, saying we should chat somewhere a little more private. We flirted outrageously as we disappeared upstairs to the hosts' spare room. I sat on the bed and provocatively crossed my legs, knowingly revealing my upper thigh and the lacy tops of my hold-ups. Rob locked the door and joined me, kissing me gently on the lips before slipping his tongue into my mouth.

His hands started on my boobs through my clothes, massaging and squeezing my nipples through the cotton. I

took a sharp intake of breath as he stiffened them by pinching and I willingly responded to his attempts at removing my top. My hand 'accidentally' dropped onto the bulge of his crotch and I started squeezing softly as he moaned his approval. With my firm tanned tits now fully exposed, Rob stopped to admire the sight before roughly lapping and biting at them in a frenzy.

Calming him down, I made him lie back on the bed while I undid my skirt to reveal my neatly-shaven pussy. Not allowing him to touch, I released his belt and took his jeans off. I fingered the outline of his stiff dick through his boxers before delving in and removing his meat. What a cock he had! It was a good eight inches long and as thick as an aerosol can. The tip glistened with pre-come and

tasted lovely and warm as I took it in my mouth.

I suddenly felt a finger probing my shaven snatch that sent shivers through my body. My jaw felt jammed open as I desperately tried to deep throat his throbbing member when suddenly I found myself on my back with my legs parted. Rob had snapped and just wanted to get down to it. His cock was throbbing, the thick veins of his shaft bulging as I willingly opened my wet snatch, then pulled him onto me with my stockinged legs.

I felt Rob's bell-end nudging my entrance, but he was a real gent, massaging my clit with his knob to give me some pleasure before he indulged himself. I was in pure ecstasy and wet as hell as I felt the first thrust of his manhood. It slipped down deep inside me and kept right on going all the way to the hilt. I squealed. I couldn't take any more – or so I thought! I raised one of my legs over Rob's shoulder and his slow, rhythmic fucking started. I reached down to massage his bollocks while flicking my clit. Neither of us was going to last long. Rob's balls were already tight and as he worked himself up and pounded my insides mercilessly I felt the first rearing of my orgasm.

I looked into Rob's eyes as the first waves of my orgasm shot through me. I couldn't stop my legs from shaking as he forcefully pounded his full length into me. I let out a

**“ It slipped down deep inside me and kept right on going all the way to the hilt.”**

long cry that even drowned out his moaning, then lifted my arse up in a spasm that propelled me even further onto his cock. I was in ecstasy as I felt his red hot cum exploding into me. Every shot sent waves of intense pleasure shooting into me and I grabbed Rob's arse cheeks to help keep his pumping going.

As Rob finally subsided in a sweating heap I got that last horny feeling as his cock slid out of me with its inevitable dribble of semen. Without thinking I went straight down on him, lapping the last drops up before lying back and giving Rob the show of his life as I fingered my clit whilst sticking a finger up my tight anus. He was soon hard again, so with another belting orgasm on the way I let him kneel over my face and sucked him off while frigging my way to heaven at the same time.

When we joined the party again Kate gave me a knowing glance before coming over and asking how it had gone. I tried to lie and say that nothing had happened, but I couldn't hide my flushed cheeks and the truth soon came out.

# Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## KEPT BEHIND

I've been seeing Sammy for six months now and she never ceases to amaze me with her inventive approach to sex. I never know what fantasy she's going to dream up next, but what I do know is that it's always going to be good! Sometimes she just gets on down to it as soon as I walk through her door, but other times I'll walk in to find her in some crazy outfit or other and then I'll know there's a role-play evening ahead. Even if she's just wearing jeans and a skimpy top I never know if she's wearing anything underneath. One day she'll have on a tiny thong, the next she'll be completely naked and on one memorable occasion I found her wearing rubber knickers with a thick dildo attached and already well slicked up with her cunt juices.

Sammy can be smartly dressed like some office power-dresser, slinky in silks and satins or dominant in black leather with thigh length boots. Other times she'll open the door absolutely starkers except for sheer black hold-up stockings and high heels.

The time I want to tell you about, though, she opened the door and stood there with her head bowed, dressed in a school uniform; a crisp white shirt with tie, very short, pleated skirt, white socks and black shoes. With her hair tied in bunches Sammy certainly looked the part. She makes a very realistic schoolgirl.

Although she's in her mid-30s she wears size 6 to 8 dresses and moans that her ribs stick out further than her tits. While that's not strictly true, at least it gives you an idea of just how tiny she is.

"Hello sir," she said as I walked in and closed the door behind me. "I was told to wait for you because I've been naughty." Using her little girl voice Sammy went on to explain that her teacher had caught her with a hand up her skirt in biology and that she'd been sent to 'The Headmaster' to be punished.

Now I would be instantly dismissed if I'd been a real teacher, because I'm fairly sure that standing behind a pupil and cupping her pert breasts isn't part of any manual issued to the profession. But that's what I did and I felt the nipples start to harden under my hands as my naughty pupil moaned gently and leaned

**"I began to spank her cheeks until they glowed a warm shade of red."**

back against me. "Don't start enjoying this too much young Samantha," I said. "Don't forget you're here to be punished."

"Yes sir," she replied. "I've been a very naughty girl." With that I bent her forward over the bed and lifted her skirt to reveal a pair of tight white panties stretched taught over her sweet little arse. Slowly I pulled them down and slid them off her ankles. She got onto the bed, still kneeling, and I began to spank her cheeks until they glowed a warm shade of red.

"I think the biology teacher would expect me to cane you," I said. "Please don't do that Sir," came the instant reply. "It really hurts. I'll do anything if you promise not to cane me." Faced with an offer like that I was out of my clothes in a flash and knelt on the bed

in front of Sammy's face, feeding my now rock-hard cock into her mouth as she sucked deeply. Just when she was starting to enjoy it I pulled out and went round behind her, knelt down and parted her smooth, shaven cunt lips. I could lick her pussy all day because it's the sweetest tasting slit I've ever encountered. Her juices were simply running down her thighs at this point, I've never seen

of the delights of the derriere with fellow Club readers as it was better than even I'd ever fantasised about. Just before Christmas last year I was about to go on a festive shopping trip to New York with a couple of mates. But the night before I left for the Big Apple, I got stuck into a right little peach!

For the previous couple of months I'd been going out with Katie, who had a beautiful pert backside. The night before I was due to go away we went out for a meal and a few drinks. When we got back to her place and got inside she bent over to take her boots off. Well, the sight of that magnificent bottom meant I only had one thing on my mind.

As she stood up I put my arms around her and pressed my straining crotch against her arse. "Hmmm," she purred, looking at me with a wicked grin. "After some dessert are we?" I pressed my hand between her legs in response.

"How about something, peachy?" she teased, pulling away. Katie raced upstairs, then returned with a small bag. I recognised it as the one she kept her 'toys' in. I kissed her passionately as I unbuttoned her jeans and pulled them down far enough to squeeze her firm cheeks. As I nibbled her neck she whispered "How about you shag my arse, then?" My rock-solid cock felt like it would burst through my trousers. "Too right," I gasped as she knelt down, opened my zip and took my throbbing seven-incher in her hand. Katie winked at me as she opened her mouth and began to lick me. She slowly took me into her mouth, giving me the most devilish look I'd ever seen.

After a couple of minutes she stood up and continued stroking my hardness. I pushed her onto the sofa and pulled her jeans off before flipping her over onto her knees. She pushed her rear at me and I parted her buttocks. Katie opened her small bag and took out a tube of lubricant. She put some on her finger and liberally applied it to her bottom. Slowly, she pushed her finger in a little way. I took the tube and lubricated myself while Katie eased a second finger into her arse.

"I think I'm ready now," she smiled as she gripped the back of the sofa, put her head down and took a deep breath. I stood behind her and spread her cheeks with one hand. With the other I guided my rampant cock to her anus, which was slightly open now. She breathed steadily, then gasped as my swollen bell-end pressed against her. Suddenly her

her so worked up! I got behind her and slid my cock up her in one go and began to thrust into her with long, deep strokes.

"Naughty little girls shouldn't get this kind of treatment," I said over her shoulder. "No Sir," she replied. "But I'm not such a little girl really and I want to know what the big girls do for men." At first I wasn't sure what she was getting at, but when she bent even further forward and stuck her arse in the air I realised that this was the invitation I'd been waiting for ever since I'd known her.

I pulled my cock from her cunt and slid it over her arse crack. Then, with some extra lubrication scooped from her hole with my fingers and smeared over my helmet, I positioned my cock at the entrance to her dark hole. Even before I could do anything Sammy started to push back. Once we'd got the angles adjusted right I felt her arse relax and I slid inside. I thought about waiting a second until we both got used to the sensation, but she was like a woman possessed and I was soon ramming into her. She was unbelievably tight and there was no way that I was going to be able to hold out for long. I felt my come boiling up my shaft, so taking hold of her hips and pulling her right back onto me, I delivered a stream of hot spunk right up her arsehole. It was the most amazing experience of my life.

"Will you behave yourself in class now Samantha?" I asked. "Or will you be back for more punishment?"

"I expect I'll be back one day," she said. And believe me, she was!

*Keith, Bath*

#### **HAPPY HOLE-IDAYS**

I would like to share my first experience

sphincter relaxed and my bulbous head popped inside. She groaned and I stood still for a moment to allow her to get used to it. Her tight ring was a sight to behold as I held her buttocks apart

After a few seconds I began to ease further in. Katie gasped and groaned as more of my cock filled her snug rectum. "Ooooooh," she murmured as my heavy balls came to rest against her. "Mmmm, that's wonderful," she purred. I paused again to enjoy the sight and feeling of this gorgeous girl, her bum packed to capacity with my dick.

Katie reached for the lube and then put her hand to her pussy. She began to rub her clitoris, which made her buck against me. The muscles of her rectum rippled and twitched and I took this as a cue to begin slowly pushing back and forth. I increased my pace, with long, deep thrusts. She pushed herself back to meet me and I gripped her hips as I fucked her arse

Katie propped herself with one hand on the back of the sofa as she friggd herself harder and harder. I pumped her bum faster, my thighs slamming against her and my balls slapping against her pussy. Suddenly her muscles spasmed and Katie shook violently as a powerful orgasm ripped through her body.

That spelt the end for me. My thrusting cock was squeezed in a vice-like grip as her rectum tightened around it. With one final push I slammed my dick all the way up her quivering bottom as I began to come. I was delirious as my balls emptied inside Katie's bum and within seconds I was completely and utterly drained. But Katie wasn't done yet.

Easing herself off my come-soaked prick she was already starting to get her breath back, while I flopped back onto the floor, amazed at the girl's stamina. "Now maybe it's time for the floorshow," she said. "You do like to watch, don't you?" she asked. I could only nod dumbly as she reached down into the bag of tricks she'd brought down earlier

Katie pulled out a couple of impressive-looking dildos, one red and one blue, and gave me a big, broad smile. Clambouring back onto the sofa she poked her arse back up in the air and expertly worked the red toy into her bum hole where my rampant cock had been only a minute or two before. Once she'd inserted the shaft about halfway up, Katie then took the other dildo and slowly started to work it in and out of her pussy. Gasping a little as she felt the horny sensation of the toy moving against her pussy walls, Katie managed to balance the top half of her body on the top of the sofa so that she had both her hands free and then expertly started to wank herself off in both holes at the same time. Well as you can imagine the sight of this double

**“ I slammed my dick all the way up her quivering bottom...”**

penetration made me forget any feelings of tiredness and my cock started to rise to attention once more. I couldn't help bringing myself off one more time, climaxing at exactly the same time as Katie. We finally both collapsed again in sheer orgasmic pleasure. I kissed her gently, we cuddled up on the sofa together and finally we drifted off to sleep.

The next morning I was woken by my mobile phone ringing. It was my lift to the airport, so I hurriedly got dressed. As I rushed to leave I looked at Katie, who was still sleep. I bent down and kissed both of her beautiful buttocks before dashing out of the door.

**T**his is one bad, bad Brookie and the lady is relishing her new title, as she tells all about a weekend away with the girls.

"We'd hardly been there five minutes when the shots came out, and men started to flock to our table. Some of the dishy ones we bugged over for, and then there may have been an incident in the toilets where a couple of us bent over too."

Some honest cubical action takes us back to the glory days, and we're sure most of you have a story of a similar nature.

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## Bunny Bust!

Someone's been given the run around as twenty-seven domestic rabbits are spotted lose by Suffolk County train station. Officials in Long Island, New York are now offering a reward for information pertaining to the dumping of the hoppy individuals. The Suffolk County Society for the Prevention of Cruelty to Animals explained that it was notified on Sunday about the loose bunnies and endeavoured to round them up with the

help of other animal welfare groups, as they don't possess the skills to survive on their own, and would have died. A \$3500 reward is on the table according to Facebook in a bid to find those responsible for endangering the cute furry critters. Lop ears to the ground!

## Get it up!

We'd never quite heard of an attempted bank robbery quite like it and neither would it appear had Jefferson County Chief Deputy Randy Christian in Alabama. Police state that a 24-year-old Rachel Camille Calhoun, entered a bank in Forestdale to deliver the manager a note with a strange demand on it. The note is reported to have said that if the manager released \$6000, the woman would provide him with a sexual favour if

he did not then she would accuse him of sexual assault. The manager refused and quickly brought the police in where Calhoun was arrested and charged with first-degree attempted extortion and first-degree attempted theft. You've just got to hope she doesn't try the same tactic behind bars!

## Jog on!

We've all been caught short at some point in our lives and enviably had to make a dash to the nearest bushes, the word to highlight there is bushes, not a public footpath as 64-year-old Andrew Macintosh regularly did while out jogging in Brisbane. Macintosh was caught on camera by

a man in the neighbourhood who had staked out the pooper after being fed up with finding the faeces up to 30 times in one year. Macintosh was snapped with his pants down, and toilet paper out (clearly an organised man) doing his business and has since been charged with public nuisance. Unfortunately, the Macintosh was recognised as an executive for retirement village operator Aveo, and has since resigned.

That's one way to flush your life down the toilet and create a stink and a half!

Curler Ahead!
